

Getting to/from Otaniemi/Helsinki/Workshop

1. The Big picture

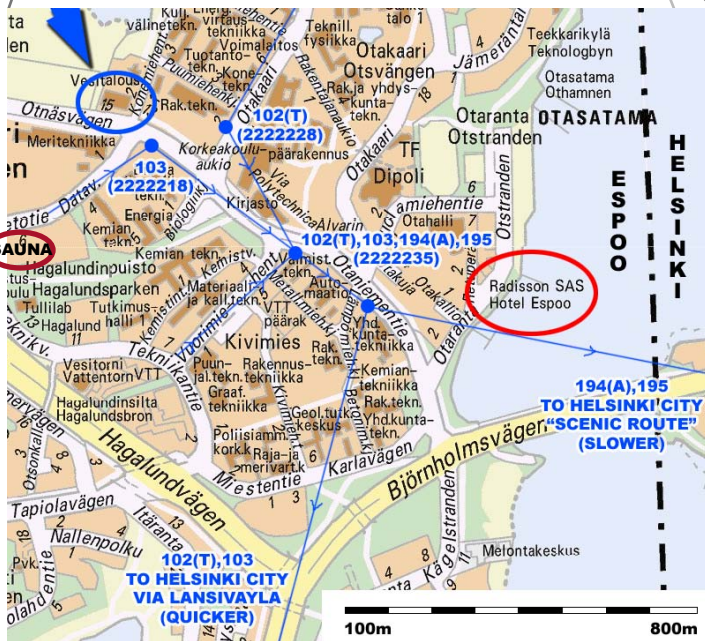

The buses between Otaniemi and Helsinki City go either via Länsiväylä (blue route, 15-20 min.) or the “scenic route” (red route, 30-40+ min.).

Buses from Helsinki leave from around Kamppi area (major construction work going on there), near the Kamppi Metro station. The fastest buses to Otaniemi are 103 and 102 (see map below). 102T drives through Lantasaari (dashed line on map) and is about 5 minutes slower than “plain” 102. It may be a good idea to switch from bus to Metro in Ruoholahti when going to Helsinki City (the first stop after the Länsiväylä “highway”). Step out of the bus, walk straight ahead through the building with lots of glass and you’ll find the Ruoholahti Metro station.

2. From Workshop venue to Radisson SAS / Helsinki

(Picture 2:) The best way to travel between Radisson SAS (red circle, right) and the Workshop venue (blue circle, left) is by foot. Unless you know a 103 is coming within a minute or two, you will hardly save any time by taking a bus...

4. From Tapiola Garden (left) to Workshop venue (right)

5. From Workshop venue (right) to Tapiola Garden (left)

There are many buses you can take to Tapiola Garden, but walking is also an option. Location of the sauna (wednesday night) is also marked on map (further instructions on how to get there will follow later at the workshop).

Timetables

Here are the timetables for the numbered stops on the maps. Note that the times mentioned are usually estimates on when the bus will pass that stop. The buses won't stop unless you wave your hand at them (or someone's getting off the bus there). There is also a separate timetable of bus 52 from Tapiola Garden (bottom of this page).

Vocabulary:

maanantai-perjantai = monday-friday

lauantai = saturday

sunnuntai = sunday

pysäkki = (bus) stop

m = matalalattiabussi = bus with a lowered floor.

The ticket fares are 2€ inside Espoo/Helsinki and 3€ if you cross the border (= region ticket, seutulippu).

Credit cards are not accepted in buses. Avoid using bills larger than 20 €.

You can also buy a 1/3/5 day-tourist ticket (at least from Metro or Railway stations in Helsinki), but I don't know if it's worth it unless you plan to stay here until sunday. The prices are € 8/16/24 for regional transport (includes bus/metro/tram travel within Helsinki, Espoo, Vantaa, and Kauniainen).
